Forecast For Wales
Issued by Met Office Exeter
at 0400 on Tuesday 03 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Bright start turning showery further south.

Today:
A dry and bright start, with sunny spells through the morning. Some heavy scattered showers developing further south during the afternoon, although many places staying dry and clear. Maximum temperature 20 deg C (68 deg F).

Tonight:
Showers will ease into the evening leaving mostly clear skies. Some mist or fog patches could develop in the south west overnight but will clear by morning. Minimum temperature 8 deg C (46 deg F).

Wednesday:
Starting off dry with sunny spells. Heavy and possibly thundery showers will develop throughout the day. These will clear overnight. Feeling warm in the sunshine. Maximum temperature 22 deg C (72 deg F).

Outlook for Thursday to Saturday:
Widespread showery rain with possibilities of hail and thunder on Thursday. Sunshine and showers on Friday, these showers will be heavy in the north. Further heavy showers on Saturday.
